- 5 cups chopped onion (about 3 large)
- 2 cups chopped celery
- 8 cups diced cored tart green apples (such as Granny Smith)

- 1/2 ~~teaspoon~~ ground allspice
- 5 1/2 cups herbed cubed stuffing mix (about 10 ounces)

Add butter, onions and celery to skillet; sauté until onions are tender, about 15 minutes. Add apples; sauté until apples are tender but still hold shape, about 10 minutes. Add sage, thyme and allspice; sauté 1 minute. Add to sausage. Stir in stuffing mix. Season with salt and pepper. (Can be made 1 day ahead. Cover; chill.)

Preheat oven to 325°F. Generously butter 5x10-inch glass baking dish. ~~Fill center of crown roast of pork with stuffing.~~ Transfer remaining stuffing to prepared dish. Cover with foil and bake until heated through, about 40 minutes.
