Potato Kugel, moist on the inside and crispy on the outside, is a staple of Eastern European Jewish cooking. While there are many variations of potato kugel (which add carrots, zucchini, garlic...), this Basic Potato Kugel recipe is still my favorite.

1. Preheat oven to 400° Fahrenheit (200° Celcius).
2. In a large bowl, mix eggs, oil, flour, salt and pepper. Set aside.
3. Coarsely grate the potatoes and onion by hand or food processor. Let stand 3-5 minutes. Squeeze out excess liquid. Add grated potatoes to the egg-flour mixture. Mix by hand only until smooth.

5. Bake, uncovered, for 1 hour or until golden brown on top and a knife inserted in the middle comes out clean.

YIELD: 12-14 servings.

SERVING SUGGESTIONS:

Serve slightly warm or hot as a side dish with a meat entree such as brisket or roast chicken.
