

Carrot Cake Muffins

By Martha Rose Shulman

Yield: Twelve muffins, depending on the size of the muffin tins

INGREDIENTS

- 1 1/2 cup flour whole wheat*
1 1/2 cup whole wheat flour
 2 1/2 cups whole-wheat pastry flour
 2 teaspoons baking powder
 1 teaspoon baking soda
 2 teaspoons ground cinnamon
 1 teaspoon freshly grated nutmeg
 1/2 teaspoon ground allspice
 1/2 teaspoon ground cloves
 1/2 teaspoon salt
 2 eggs
2/3 cup raw brown (turbinado) sugar
 1/3 cup canola oil
 1 1/3 cups buttermilk
 1 teaspoon vanilla extract
 2/3 cup golden raisins tossed with 1 teaspoon unbleached all-purpose flour, or 2/3 cup chopped pecans
 1 1/2 cups grated carrots

PREPARATION

Step 1

Preheat the oven to 375 degrees with the rack in the upper third of the space. Oil or butter muffin tins.

Step 2

Sift together the whole-wheat pastry flour, baking powder, baking soda, spices and salt.

Step 3

In a separate bowl, beat together the eggs, sugar, oil, buttermilk and vanilla. Using a whisk or a spatula, stir in the dry ingredients and mix until well combined. Do not beat; a few lumps are fine, but make sure there is no flour at the bottom of the bowl. Fold in the raisins or pecans and the carrots.

Step 4

Spoon into muffin cups, filling them to just below the top (about 4/5 full). Place in the oven, and bake 25 minutes until lightly browned and well risen.

Tip

Advance preparation: These keep for a couple of days out of the refrigerator, for a few more days in the refrigerator and for a few months in the freezer.
