

Ginger Bok Choy Soup with Noodles

Author: Erin Alderson Prep time: 10 mins Cook time: 30 mins Total time: 40 mins

Ingredients

- 1 tablespoon olive oil
- ½ bunch scallions
- 2 cloves garlic, minced
- 2 tablespoons minced fresh ginger
- 2 cups vegetable broth
- 2 cups water
- 1 head bok choy
- 4 ounces ramen noodles (see note)
- Salt, if desired
- Sesame Seeds, for topping
- Red Pepper Flakes, for topping

Instructions

1. In a stock pot, heat olive oil over medium-low heat. Trim the ends off the scallions and chop through the light green stem. Save the dark green tops for topping. Add the scallions to the pot with the garlic and ginger. Cook, stirring occasionally for 2 to 3 minutes until the garlic and ginger is fragrant.
2. Measure in the vegetable broth and water. Bring to a boil, reduce to a simmer, and cook for 5 minutes.
3. While broth is simmering, cut the end off the head of bok choy. Cut off the stems and then cut the stems into thin strips. Roll the leaves together and also cut into strips.
4. Add the stems to the broth and cook for 5 minutes or until stems are starting to be tender. Follow with the leaves and cook for another 5 minutes more. Finally, stir in the ramen and simmer the soup until the noodles and bok choy are tender, 4 to 6 minutes. Taste and add salt as needed.
5. Divide soup into two bowls and top with chopped scallion greens, sesame seeds, and red pepper flakes

Notes

+ I'm not referring to instant ramen noodles. These are my ^{Hakubaku} [favorite dry ramen](#). Or you can purchase fresh or try your hand at [making the noodles](#).
