3. Thumbprint Variation

After step 1, use a 1/4-teaspoon measure to gently press a hollow in the center of each dough mound. Fill each hollow with 1/2 teaspoon jam or jelly, a chocolate chunk, or a nut half (makes about 28).

4. Sandwich Variation

After step 1, use bottom of a floured glass to flatten mounds into 2-inch rounds. With a 1-inch cookie cutter, cut out center from half the rounds. Decrease baking time by 3 to 5 minutes (makes about 14).

Assemble: Using an offset spatula or a table knife, spread half the baked sandwich cookies (those without cutouts) with chocolate or fruit filling. Top with cut-out cookies; dust tops with confectioners' sugar. Let stand until set.

Chocolate Filling

In a microwave-safe bowl, microwave a 4-ounce bar chopped, in 20-second increments, stirring, until melted.

Fruit Filling

Using 2 teaspoons per cookie, stir until smooth.
