INSTRUCTIONS

1. Preheat the oven to 400

6. Then add salt, vegetable broth and water and bring to a boil. *(raise heat)* ←
7. Once boiling, add the orzo and cook for 10 minutes until tender. Then add the greens, nutritional yeast and black pepper and cook for 5 minutes. *add parm rind and chickpeas*
8. Finish the soup by adding the cooked meatballs and serving with an optional garnish of crushed red pepper and nutritional yeast. *(grated parm)*
